After reading the copy of the law you have been given, answer the following:

1. Why do you think this law was necessary?
2. Do you think it was fair? Why or why not?
3. What is at least one advantage of this law?
4. What is at least one disadvantage?
5. Keeping in mind your goal of attracting investors and immigrants, do you think this law should be changed? If so, how would you change it? Try to reach consensus in order to make a recommendation to the Virginia Company.
