PRESIDENT AND IMMEDIATE PAST PRESIDENT LETTER

Each year in the pages of the annual report, we recognize and celebrate those who have taken up the charge to preserve and tell the stories of two remarkable places of national significance: Jamestown and Yorktown. The museums of the Jamestown-Yorktown Foundation continue to be recognized as leading centers of education and tourism thanks to an expansive and very successful public-private partnership. It is through this partnership that we are able to deliver engaging educational programs that ignite the imagination, engage the mind, and inspire a love of American history.

In the years since the Foundation embarked on transforming the Yorktown Victory Center into the American Revolution Museum at Yorktown, an extraordinary level of support allowed us to expand our vision for this new museum and launch the *American Revolution Museum at Yorktown Campaign for Support* on May 12, 2015, with a goal of $15 million.

In this special edition of the annual report, we celebrate not only the milestones of the American Revolution Museum at Yorktown, but also the philanthropy that enables us to create, sustain, and preserve this museum alongside Jamestown Settlement. The generosity of every donor makes a difference, and we are grateful to each of you for your commitment to preserving our American history and to leaving a legacy to future generations.

Among those who have helped us reach our current $10.6 million mark are corporate citizens, including Dominion Resources whose commitments to this new museum total $900,000 – the largest private investment to date in the *Campaign for Support*; members of the Board of Directors and Board of Trustees, who have personally invested a collective $2.3 million in the new museum; numerous foundations, including The Gladys and Franklin Clark Foundation whose early gift allowed us to acquire the rare early broadside printing of the Declaration of Independence; York County whose support of $1 million over the next decade will support short- and long-term exhibit fabrication and programming; and each of you, citizens of the United States, who know how important it is to preserve our past and educate current and future generations of Americans.

Your philanthropy ensures that we can create this living history of the American Revolution. We cannot thank you enough.

With $4.4 million yet to raise, the *Campaign for Support* offers opportunities for every citizen of our nation to join the ranks and preserve the story of liberty and freedom for future generations.

Sincerely,

Clifford B. Fleet

Creating a Living History of the American Revolution

American Revolution Museum at Yorktown Campaign for Support

As the Yorktown Victory Center reached a midpoint milestone in its transformation into the American Revolution Museum at Yorktown with the opening of an 80,000-square-foot museum building, the Jamestown-Yorktown Foundation, Inc., was reaching a milestone in private support raised for the new museum’s gallery exhibits, outdoor exhibits, and educational resources.

By June 30, 2015, the American Revolution Museum at Yorktown Campaign for Support had raised $10.6 million in support of the American Revolution Museum at Yorktown’s gallery exhibits, outdoor exhibits, and educational resources, as well as for the Foundation, Inc., Annual Fund.

Led by co-chairs Mari Ann and Charles Banks of Gloucester, Virginia, and with 71% of the Campaign’s $15 million goal raised, the Campaign for Support is poised for success.

Campaign Highlights

Numerous significant gifts bolstered the American Revolution Museum at Yorktown Campaign for Support over the past two fiscal years.

Altria Group, the parent company of Philip Morris, donated $200,000 to support the development of the inaugural special exhibition at the American Revolution Museum at Yorktown. The exhibition is expected to open in summer 2017. Two grants totaling $250,000 from The Garland & Agnes Taylor Gray Foundation, a supporting organization of The Community Foundation Serving Richmond & Central Virginia, are supporting exhibition galleries, outdoor living-history areas and education programs of the new museum.

The Herndon Foundation of Richmond awarded a grant of $100,000, and The Beazley Foundation, Inc., of Portsmouth awarded its second grant of $50,000; both grants support gallery exhibits. The Camp Family Foundations of Franklin made gifts totaling $91,000 to support gallery exhibits and educational resources. The Robins Foundation of Richmond gave two gifts totaling $50,000 for collection enhancement efforts, including acquisition of artifacts to illustrate key themes in the permanent galleries. The Richard S. Reynolds Foundation of Richmond awarded a grant of $150,000 to support the acquisition of the rare 1730s portrait of Ayuba Suleiman Diallo. Plains All American Pipeline, L.P., headquartered in Texas and with a local presence as the owner of the Yorktown refinery, is supporting the new museum with a gift of $150,000. Ferguson Enterprises, Inc., made a major commitment to support the new museum’s most pressing needs and the Annual Fund.

We are grateful to each of these and to the numerous other corporations, individuals, and foundations who have stepped forward and joined in the American Revolution Museum at Yorktown Campaign for Support.

For a complete listing of Campaign donors of $25,000 or more, see page 5.
**Campaign Priorities**

The new museum will invite visitors to relive the Revolution – through sensory experiences of its sights, sounds, and smells and the feelings it evoked, integrating artifacts, exhibits, technology, education, and outdoor living-history areas into a full array of opportunities for participation and learning.

With $4.4 million left to raise, the *Campaign for Support* offers numerous opportunities for meaningful investment to create, sustain, and preserve the story of the American Revolution.

**GALLERY EXHIBITS:** The intergenerational nature of today’s museum audience demands that the new museum’s galleries are strategically designed to include artifacts, short films, interactive stations, and immersive environments. As design and construction of the galleries move forward, the Jamestown-Yorktown Foundation continues to develop critical elements – acquiring artifacts that illustrate complex concepts and developing exhibits and technologies that meet the needs of a changing audience and reflect best practices in the museum field.

**OUTDOOR EXHIBITS:** Nothing replaces a direct, physical experience of place. Written words on a page cannot convey the same emotional experience of feeling the ground shake with the burst of cannon fire, smelling smoke in a Continental Army encampment, or touching the leaves of a harvested tobacco plant on a Revolution-era farm. The Foundation is expanding and reconfiguring the two outdoor living-history areas. The existing encampment and farm will be relocated and transformed to support the gallery storyline, incorporate recent historical research, and expand capacity for students and other visitors to watch and take part in demonstrations.

**EDUCATIONAL RESOURCES:** At the heart of this new museum is a focus on the Foundation’s mission and a call to educate our nation’s citizens, adults and children alike, about America’s early history. The centerpiece of this effort continues to be our award-winning educational programming for Virginia students. As we draw near to the opening of the American Revolution Museum at Yorktown in late 2016, we are introducing enhanced educational programs that include on-site field trips for students, public programs and lectures for adult learners, outreach programs in classrooms across Virginia, web-based curriculum materials, and distance learning opportunities.

Whether you have already made your gift or are contemplating your first gift, you play an important role in creating this inspiring new museum. Mari Ann and Charles Banks (seated), shown in top left photo with Jamestown-Yorktown Foundation, Inc., President Clifford Fleet and Immediate Past President Sue Gerdelman, are co-chairs of the Campaign. Virginia Governor Terry McAuliffe was guest speaker at the campaign kickoff event and, with First Lady Dorothy McAuliffe, joined guests at dinner following the grand reception.*

The Annual Fund

The Annual Fund raises unrestricted gifts from individuals, corporations, and foundations who share our belief that museums are places of education. Those gifts provide the financial foundation that sustains the Foundation’s educational programming year after year.

In the fiscal year ending June 30, 2014, the Annual Fund exceeded its goal thanks to donors who together contributed $798,978.

Again in the fiscal year ending June 30, 2015, donors gave generously, and the Annual Fund exceeded its goal, raising $817,229.

Our Mission, Your Impact

Gifts to the Jamestown-Yorktown Foundation, Inc., Annual Fund support programs that are the hallmark of our educational mission: public programming, school-based education, artifact acquisitions and collection conservation, and the maritime program.

The Annual Fund has helped to support numerous program accomplishments, including:

- Hands-on experiences in our nationally known living-history programs and museum galleries for 605,031 visitors in 2014.
- Education programs, including Virginia Outreach Education and Elementary School Scholarship, that expand the borders of the classroom for students each and every school year.
- Acquisition of 38 artifacts* of the 18th century for future exhibit in the American Revolution Museum at Yorktown galleries, and equipment to ensure the proper conservation of those objects.
- The maritime program that enabled the Godspeed to make two outreach voyages in 2014, during which the re-created 1607 ship welcomed more than 8,000 students and visitors, as well as a voyage in June 2015 to welcome l’Hermione, the re-creation of the French ship that brought Lafayette to America in 1780, as it arrived in Yorktown, its first U.S. port of call. During the three days that l’Hermione was in port in Yorktown, the Godspeed welcomed 2,328 total visitors aboard for tours.

*Artifacts acquired during the time period July 1, 2013, through June 30, 2015.

The 1607 Society

The 1607 Society is the Jamestown-Yorktown Foundation, Inc.’s premier annual giving program and recognizes donors of $1,607 or more to the Annual Fund. Members of The 1607 Society have a significant impact on our mission: for the fiscal year ending June 30, 2014, The 1607 Society was responsible for 61% of the Annual Fund. In the fiscal year ending June 30, 2015, The 1607 Society welcomed new members and was responsible for 65% of the total Annual Fund.

To learn how you can help us sustain core educational programs at Jamestown Settlement, the Yorktown Victory Center, and the future American Revolution Museum at Yorktown, visit www.historyisfun.org/donate.
“Throughout our construction period, the Yorktown Victory Center continues to provide an engaging experience for visitors and students from across the globe. We are grateful to our many Annual Fund donors for their support of programs during the museum’s transition from the Yorktown Victory Center to American Revolution Museum at Yorktown.”

Among the artifacts acquired in fiscal years 2014 and 2015 for the American Revolution Museum at Yorktown were a boxwood and brass semi-circumferentor (a surveyor’s compass with projecting sighting posts) inscribed with the maker’s name – Daniel King of Salem, Massachusetts – and year made – 1758; a Jackfield ware teapot representative of the small glazed earthenware teapots made in Britain and imported into colonial America in large numbers; French candlesticks, circa 1773-74, made by French silversmith Barthélemy Samson just prior to the American Revolution. All in the collection of the Jamestown-Yorktown Foundation.
forging partnerships

Jamestown Settlement Special Exhibitions

Special exhibitions are a key part of the visitor experience at Jamestown Settlement, offering opportunities to explore topics in depth. These exhibitions also offer opportunities for the Jamestown-Yorktown Foundation to forge partnerships with other institutions.

The Foundation collaborated with The Mariners’ Museum in Newport News, Virginia, to present “Working and Racing on the Bay: The Chesapeake Log Canoe.” The exhibition opened in September 2014, and in spring 2015 was expanded with the addition of eight black-and-white portraits of individuals who make their living from farming and harvesting oysters on the Chesapeake Bay today. “Working and Racing on the Bay,” which concluded on September 8, 2015, was made possible by grants and gifts from James City County, Altria Group, Dominion Resources, and E. Peter and Caddy R. Meekins.

From December 5, 2015 to February 28, 2016, an exhibit titled “Clayton & Catesby: Botanical Virginia,” will tell the story of early and recent efforts to catalogue Virginia’s unique flora. The exhibit, presented thanks to partnerships with the Flora of Virginia Project and the Garden Club of Virginia, will feature seventeen 18th-century prints of Catesby’s original drawings of plants and birds, as well as a second-edition copy of Flora Virginica from 1762.

Opening June 4, 2016, “Bartering for a Continent: How Anglo-Indian Trade Shaped America,” will explore the importance of trade between American Indians and English colonists from the founding of Jamestown through the American Revolution. The exhibition will engage visitors in the story of Virginia’s influence on a new world of exchange of goods and commodities in North America and how trading of goods and ideas between European and Native peoples has helped mold our nation. Early planning for this exhibit is made possible by a grant from James City County.

Special exhibitions offer significant opportunities for sponsorship. To learn more, call the Development office at (757) 253-4139 or e-mail giving@jyf.virginia.gov.

Endowment

The Jamestown-Yorktown Foundation’s endowments were created to help ensure future fiscal stability. As of June 30, 2015, the endowments amounted to $17.1 million. For fiscal years 2014 and 2015, the endowment’s expendable earnings were used to support core public and structured education program areas, including the maritime education program, outreach education, and historical interpretation, as well as artifact acquisition efforts for Jamestown Settlement and the American Revolution Museum at Yorktown.

Planned gifts are an important way to grow our endowments, thus ensuring that the legacies of our nation’s founding patriots are preserved for future generations at Jamestown Settlement, the Yorktown Victory Center, and the future American Revolution Museum at Yorktown.

We regard every donor as a member of our museum family; together we have built a strong foundation for programs that further our educational mission. Space limits our ability to list all donors to the Jamestown-Yorktown Foundation, Inc., but each gift is gratefully received.

The following lists recognize donors who made contributions during Fiscal Year 2014 and Fiscal Year 2015. Donors who made contributions in both years are listed in the higher donor club of that two-year period from July 1, 2013, through June 30, 2015.

Party on the Pier
June 20, 2014
On June 20, 2014, guests
came out to Jamestown
Settlement to enjoy the
music of Slapnation and
dinner by Beach Bully BBQ
of Virginia Beach, all against
the backdrop of the re-created
1607 ships Susan Constant,
Godspeed, and Discovery.
Our ships were constant
reminders during the night of
what Party on the Pier
was benefitting: the museum
and the education programs
that we provide every day.
Thanks to the leadership of
our special events task force
and the generosity of our
sponsors, including flagship
sponsor Chesapeake Bank &
Chesapeake Investment Group,
Party on the Pier raised nearly
$4,000 for the museums and
educational programs.

ANNUAL REPORT TO DONORS | 15
Victory Celebration at White Hall Plantation, hosted by Mari Ann and Charlie Banks

October 19, 2013

The mood was patriotic as guests arrived at White Hall Plantation in Gloucester, Va., for the “Victory Celebration” to benefit the future American Revolution Museum at Yorktown. Decked out in red, white, and blue, guests toasted the Republic with General George Washington, experienced the surrender at Yorktown as recounted by General Washington and his good friend the Marquis de Lafayette, and recalled the early days of the United States with founding father Thomas Jefferson. Cannon firings by historical interpreters of the Jamestown-Yorktown Foundation saluted the momentous American and French victory on October 19, 1781.

We are so very grateful to Mari Ann and Charlie who opened their beautiful home for this benefit, to the sponsors who graciously underwrote the celebration, and to each of our guests who joined us to raise $22,000 for the American Revolution Museum at Yorktown.
The American Revolution Museum at Yorktown’s newly expanded Revolution-era farm will feature historical structures based on recent research on an 18th-century York County resident.

Wine, Dine & Jazz on the James

June 19, 2015

Wine, Dine & Jazz on the James brought more than 400 guests to Jamestown Settlement to enjoy a night of fundraising, music, and fun on June 19. Based on the popular Party on the Pier, this new event featured tastings of 10 wines and 10 Virginia craft beers, local artisan food vendors, and the smooth music of Forte Jazz Band against the backdrop of a sunset vista from Jamestown Settlement’s ships’ pier. Wine, Dine & Jazz on the James raised more than $7,000 for the Jamestown-Yorktown Foundation, Inc., Annual Fund.

Special thanks go to presenting sponsor, Chesapeake Bank and Chesapeake Investment Group.
